

Elective Courses for 6th- to 12th-Grade

Students work one-to-one with experienced Brightmont Academy teachers all the time. Teachers move at the pace and use the instructional methods that best fit each individual's needs. All elective courses may be taken in 30 sessions of one-to-one instruction. The following courses are offered for up to 1.0 credit unless otherwise specified. Additional courses may be available. Contact the Campus Director with specific requests.
